LETTER FROM THE DIRECTORS

Dear friend,

Since our founding in 2009, Smile On Seniors has progressively built on its reputation as the foremost provider of programming and services for the golden age Jewish population in Phoenix and environs. Through thick and thin we have grown a thriving, vibrant, warm and embracing community for our golden agers. At SOS we understand that our elders are a national treasure; we take joy in giving them the respect and love they so deserve. Our volunteers are enriched by the life experience and wisdom our seniors so generously share. It's a win-win all around. Recently we further grew our reach by unveiling JAM, a new, cutting edge in-person platform for very active seniors. Our organization is constantly evolving to meet new demands as they arise. Please partner with us and let us know what you would like to see offered!

Do you know of a senior at home or in a community that could benefit from a visit with a new friend? Do you know a senior who would enjoy Shabbat dinners, Holiday celebrations, pre-Holiday workshops, themed lunches, discussions with Rabbi Levi or Chani or the plethora of fun events we host?

Would you like to join our growing ranks of volunteers and enrich your life as you bring happiness to a senior? Interested in hearing more about JAM? Give us a call today!

Please take a moment to peruse our program guide and take note of which offerings are of interest to you.

At SOS we believe people of all ages should benefit from the joy of community. We can't wait to see you at our upcoming events!

HOW DO YOU KNOW IF A SENIOR LIVING COMMUNITY IS TRULY WELCOMING?

The answer goes far beyond beautiful apartments, culinary venues, and amenities. A truly inclusive community is one where residents feel valued, respected, and connected from the moment they arrive. It's reflected in the daily interactions, meaningful relationships, engaging programs, and personalized experiences that help residents maintain their individuality while building a genuine sense of belonging.

For families navigating the senior living journey, recognizing these qualities can make all the difference. Discover the key signs of an inclusive community and learn what to look for when choosing a place that feels like home. **Scan the QR code to read the full article.**
